

BARGAINING & PHOENIX MEMBERSHIP MIXER WITH CHRIS AYLWARD & MAGALI PICARD

PSAC's national president Chris Aylward and national executive vice-president Magali Picard are spending some time on Vancouver Island the week of March 18.

All PSAC members in the Victoria area are invited to an informal after work get together to hear an update on bargaining and to discuss Phoenix and any other union issues that are important to you.

This is an opportunity to talk to PSAC's national leadership, give us your input on next steps in PSAC's Phoenix campaign, and show your support for our all our bargaining teams in our fight for fair wages, good working conditions, and respect at the bargaining table.
