

# Solidarity, Diversity, and Inclusion: Are We There Yet?

Tuesday, November 16, 2021 6:00 – 7:30 PM PT

Please join PSAC BC Racialized workers to celebrate Multiculturalism Week in BC with an event featuring a panel discussion, music and dance lessons, and door prizes!

Let's mark the date by raising awareness about the cultural diversity within our workplaces and communities and raise questions on what has been achieved so far and how much more there is still to accomplish.

Our panel will include

- **Sena Paradis**, Senior Director, North Coast Region, TAG-NW, Crown-Indigenous Relations and Northern Affairs Canada
- **Shanee Prasad**, Workers of Colour Representative BC Federation of Labour
- **Rachna Singh**, Parliamentary Secretary for Anti-Racism Initiatives
- **Mikaela Torres**, Executive Director, Central Vancouver Island Multicultural Society
