Address by Jamey Mills, discussing lobbying for PSAC with your local Member of Parliament, looking for volunteers. They can discuss with Jamey and the REVP Office, which can help prep you, go with you, or discuss speaking notes.

Kaj is likely going to be moving into a new position with his personal career, and so we may need to conduct a byelection to select a new president. We congratulate him in his future endeavors!

Next meeting will be set for January 6th, 2026, and there will be an AGM at a later date.
